

BAR MITZVAH PROJECT

DANIEL AND JEFFREY HOROWITZ

Summer camp has been a wonderful experience for us for the past 5 years. Though we do so many activities, playing sports are our favorites. That is why we would like to share this feeling with others.

Camp Simcha is a sleepaway camp for children battling cancer and other serious illnesses.

In honor of our B'nai Mitzvah, we are donating one imprinted "spaldeen"-type rubber ball to each child, so that every child can "have a ball" at camp, and enjoy a juggling workshop!

Each ball will be personalized from it's donor.

Monetary profit will be donated to Camp Simcha.

1 ball...\$5
